## 2019 Financial Terms and Fee Schedule

Fraser Coast Anglican College provides a fully inclusive fee structure as a way of providing parents with some financial budgeting predictability in relation to their child's school fees.

Under this arrangement (with the exception of the cost for any elective subjects, optional activities, uniforms, BYOD program and book list items), parents will not be required to pay additional fees for the activities and provisions associated with their child's education at our College, including costs involved with Outdoor Education, excursions and other compulsory College activities.

Fees are billed in equal instalments each term (i.e 4 times per year) and are due on the first Friday of each school term. There is a discount of \$250.00 for payment of the full year's fees in advance – please notify the Accounts Dept via the Payment Options form of your billing preference.

- A second reminder will be issued and if no payment has been received within 4 days of the second reminder the College will contact the parents by phone to negotiate payment or a payment arrangement.
- The College reserves the right to charge an admin fee of 1.5% on overdue balance if it is considered to be outside of the College Collection guidelines.
- If College fees remain outstanding or if a payment arrangement fails, the account may be forwarded to our Mercantile Agent for recovery.

Please refer to the Business Notice for termination of enrolment agreement and recovery policies.

## BUSINESS NOTICE FOR 2019

### Setting of Fees:

The College Council sets all fees and charges and corresponding fee policies.

- The College Council reserves the right to change fees at any time. Parents will be notified of any changes before they occur.
- Fees include any amount whatsoever that may be payable to the council on behalf of a student as a consequence of the student's attendance at the College and any expenses, loss or damages which the student may cause to become payable.
- Fees must be paid in advance of each term on or before the due date unless a prior arrangement has been formally agreed upon. Fees not paid by the required date may incur an administration fee, at a rate to be determined by the College Council.
- If the College Account balance is outside the Collection Guidelines a student/s may not be eligible to attend major school trips and/or extra-curricular activity.
- There will be no remission of fees in the event of a student being absent from the College.
- The College accepts no liability whatsoever for any loss of or damage to the personal effects or property of any student.

### Financial Agreement:

- The signed Financial Agreement for each student enrolled is to be signed by both parents /guardians prior to commencement. Signing of the Financial Agreement legally binds both parties jointly and severally to the agreement. The Financial Agreement will remain in force for the life of the enrolment of the student or until a new Financial Agreement is signed.
- Where a person other than one of the signing parents is accepting responsibility for payment of fees and charges for a student, that person must sign a separate agreement before the enrolment is accepted. Parents are responsible for ensuring the College is informed of the mailing address for third parties.
- Parents must inform the Principal of any changes in their relationship with each other since signing the Financial Agreement (e.g. divorce, separation, bankruptcy). In the event of a breakdown in a relationship of a family, both parties remain jointly and severally liable for the payment of the school fees.

### Termination of Agreement by the Parent:

If the student is to leave the College, the parent agrees to give at least one term's **written** notice to the College. (Definition of one term is 10 school weeks)

- **Leaving at the end of term:** Written notice should be received no later than the first day of term at the end of which it is intended that the student should leave.
- **Leaving midway through the term:** Written notice should be received no later than 10 weeks prior to the proposed date of departure.

Failure to comply with either of the above paragraphs the parent will pay or forfeit (as the case may be) to the College – one term's (10wks or part thereof) tuition fee in lieu of notice unless the Principal agrees to remit payment of those fees wholly or partially.

There will be no remission on other levies and charges that have been charged pro rata year to date, due to activities being organised and paid for in advance.

### Termination of Agreement by the College:

- The Principal will make rules and regulations to govern the conduct of the College and the behaviour of students.
- Parent(s) will seek to ensure the good behaviour and good endeavour of any student they have placed at the College.
- Any student may be required to leave the College at the end of a term if, in the opinion of the Principal, his/her attitude to work or his/her behaviour is unsatisfactory.
- Any student may be required to leave the College forthwith if, in the opinion of the Principal, he/she has committed a serious breach of discipline or any other act which affects the good order and reputation of the College and its community.
- If the student is so suspended or expelled, it is at the sole discretion of the Principal whether a refund of fees will be made.
- The College may take legal action to recover overdue fees without notice. Parent(s) agree to indemnify the College against all debt collection costs, and any disbursements incurred as a result of non-payment of monies owed to Fraser Coast Anglican College.
- The Council may amend this Business Notice at its discretion. It will take such steps as it considers reasonable to give notice of such changes to parent(s).
