Tuition Fees for Full Fee Paying Overseas Students

Fees and Charges:

If the student is accepted, the College issues a Letter(s) of Offer. The letter sets out the fees that you have to pay. Fee information is attached.

Either (a) For countries with AL 1/2 – send a fax or email to the International Officer giving details of the telegraphic transfer after all fees have been paid. After the fees have been received, the College will issue the Confirmation of Enrolment letter (eCoE) and the Welfare Letter.

Or (b) For countries with AL 3/4 – After the students have been advised that they have been granted Pre Visa Approval (PVA) you must pay the fees and any charges outlined in the original letter(s) of Offer.

When payment of the fees is received and confirmed by the College, the College will issue the Confirmation of Enrolment (eCoE).

All subsequent fees as quoted and accepted, must be paid prior to the commencement of the School year.

Termination of Enrolment & Refunds:

- An Intention to Withdraw form must be supplied to the College with a minimum of one term's notice.
- In general, fees will be fully refunded according to the number of whole terms remaining of the calendar year. The only non-refundable fees are the Enrolment fees. If the intention to withdraw is not supplied with one term's notice then one term's fees will be charged against the refund due.
- Refunds will be processed by the Accounts Department and be available by the end of the following calendar month from receipt of the Intention to Withdraw.

BUSINESS NOTICE 2021

Setting of Fees:

- *The College Council reviews the fees and charges on an annual basis in line with the budget and sets all fees and charges and corresponding fee policies.
- The College Council reserves the right to change fees at any time. Parents will be notified of any changes before they occur.
- Fees include any amount whatsoever that may be payable to the council on behalf of a student as a consequence of the student's attendance at the College and any expenses, loss or damages which the student may cause to become payable.
- Fees must be paid in advance of each term on or before the due date unless a prior arrangement has been formally agreed upon. Fees not paid by the required date may incur an administration fee, at a rate to be determined by the College Council.
- Outdoor Education is a co-curricular activity and is a highly valued part of our College ethos and it is expected that all students will attend the Outdoor Education experiences. Withdrawal (and refund) from Outdoor Education and other camps/field trips will only be authorised by the Principal.
- If the College Account balance is outside the Collection Guidelines a student/s may not be eligible to attend major school trips and/or extra-curricular activity.
- There will be no remission of fees in the event of a student being absent from the College.

Financial Agreement:

- The signed Financial Agreement for each student enrolled is to be signed by both parents /guardians prior to commencement. Signing of the Financial Agreement legally binds both parties jointly and severally to the agreement. The Financial Agreement will remain in force for the life of the enrolment of the student or until a new Financial Agreement is signed.
- Where a person other than one of the signing parents is accepting responsibility for payment of fees and charges for a student, that person must sign a separate agreement before the enrolment is accepted. Parents are responsible for ensuring the College is informed of the mailing address for third parties.
- It will take such steps as it considers reasonable to give notice of such changes to parent(s).
- Parents must inform the Principal of any changes in their relationship with each other since signing the Financial Agreement (e.g. divorce, separation, bankruptcy). In the event of a breakdown in a relationship of a family, both parties remain jointly and severally liable for the payment of the school fees.

Termination of Agreement by the Parent:

If the student is to leave the College, the parent agrees to give at least one term's **written** notice to the College. (Definition of one term is 10 weeks)

- **Leaving at the end of term:** Written notice should be received no later than the first day of term at the end of which it is intended that the student should leave.
- **Leaving midway through the term:** Written notice should be received no later than 10 weeks prior to the proposed date of departure.

Failure to comply with either of the above paragraphs the parent will pay or forfeit (as the case may be) to the College – one term's (10wks or part thereof) base tuition fee in lieu of notice unless the Principal agrees to remit payment of those fees wholly or partially.

There will be no remission on other levies and charges that have been charged pro rata year to date, due to activities being organised and paid for in advance.

Termination of Agreement by the College:

- The Principal will make rules and regulations to govern the conduct of the College and the behaviour of students.
- Parent(s) will seek to ensure the good behaviour and good endeavour of any student they have placed at the College.
- Any student may be required to leave the College at the end of a term if, in the opinion of the Principal, his attitude to work or his behaviour is unsatisfactory. Any student may be required to leave the College forthwith if, in the opinion of the Principal, he has committed a serious breach of discipline or any other act which affects the good order and reputation of the College and its community.
- If the student is so suspended or expelled, it is at the sole discretion of the Principal whether a refund of fees will be made.
- The Council may amend this Business Notice at its discretion.
