

FRASER COAST
ANGELICAN COLLEGE

FCAC Uniform Packs

May 2022

Enriching Body, Mind & Spirit

Overview

The College is committed to supporting families in every possible way. The start-up costs for some families is often a challenge, with the cost of uniforms being the most significant. In response to this challenge, the College is proposing several Uniform Packs to get new families started. These packs would also be available to existing families who need to upgrade or refresh uniform items. The packs can be paid through a payment plan similar to that offered for fees. This distributes the cost of uniforms across the school year and reduces the upfront cashflow burden of purchasing new uniforms.

Uniform Packs have been developed to accommodate the vast majority of combinations for both boys and girls across both Primary and Secondary schools, including day uniform, formal uniform, sports uniform and accessories (hats, bags etc.). Some non-compulsory items have not been included in the packs at this stage.

The Retail Manager typically advises families to start with 2 sets of day uniform. The day packs are therefore based on 2 sets for Secondary School. In Primary School, for day uniform, girls (from Year 1), have the option of wearing the tartan dress or the culottes and blouse. However, for formal events, such as photo day and presentation evenings, Primary School girls are required to wear a tartan dress. Primary School packs, therefore, may need to be adjusted to allow families to purchase one of each.

The payment plan options being offered reflect the same options offered for fee payment. That is, over 44 weeks, 22 fortnights, or 10 months. This distributes the costs over the school year.

As an example, for a family of 2 children, 1 in Year 4 and 1 in Year 8 this could reduce the upfront cost from \$1,371 to \$31 per week for 44 weeks. This would provide each child with 2-day uniforms, sports uniform (including house shirt), bags, hats and a formal uniform for the Year 8 student.

For further information please speak with Administration or the Retail Manager.

SECONDARY SCHOOL - SENIOR YEARS
